Here is a 30-page, illustrated pocket edition, "RAISING DWARF TREES FOR PLEASURE AND PROFIT." This is a concise booklet telling you how to grow and train these fascinating trees, starting from seed. Everything you need to know is covered in the booklet. Also gives you the history and tells you where to look for aged living dwarfs, which might be valued at hundreds or perhaps thousands of dollars. Tells you how to start as a business.

This booklet, "RAISING DWARF TREES FOR PLEASURE AND PROFIT," may be obtained with your choice of 3 packets TREE SEEDS for dwarfing. Complete price, \$1.95 prepaid.

For you busy professional or business people, we offer a complete growing kit. This kit contains complete growing instructions, "RAISING DWARF TREES FOR PLEASURE AND PROFIT," 2 sterilized dwarfing pots, 3 packets dwarfing tree seeds, soil mixture properly prepared and sterilized, plant food, various drainage materials, tree seal, and watering cloth. Nothing else needed and packed in an unusually attractive gift box. Complete price for all this is only \$2.65 prepaid to your home.

PRICE LIST OF SEEDS FOR DWARFING

Your choice of any 2 packets, \$1.00; 5 packets, \$2.25; 10 packets, \$3.50, or 25 packets for \$6.00. Special prices quoted on request to growers desiring seeds in larger amounts. All seeds mailed postpaid.

With the exception of larger hard-shell seeds, there are approximately 100 seeds per packet. Our aim is to give you the best seeds possible for your protection and good growing. We warrant, to extent of purchase price, that seeds are as described within recognized tolerances.
